ALWAYS OUT THERE™

CRG™ – Convertible Running Glove

Run. Ride. Reflect. The CRG, Convertible Running Glove, has a built-in retractable windproof, waterproof hood for on-demand protection when you need it most. A stretch nylon shell and mesh palm deliver weather protection and breathability for cool to cold weather running. MSRP \$20

Quantum Vent™ Jacket

The Quantum Vent Jacket combines on-demand thermal control with a lightweight, breathable, water and wind-resistant, no-noise shell to eliminate the need to unlayering during a workout. One quick pull opens or closes the vent panels. Body temperature can be controlled from beginning to end of a run. MSRP \$100

Ear Warmers with Headphones™

Stay warm. Stay connected. Keep to the beat all winter long with 180s Ear Warmers with Headphones. Enjoy the fusion of warmth and crystal clear sound, whether you're walking to the office or walking the dog. Triple layer construction provides thermal retention and blocks wind. Available in a variety of styles for men and women. MSRP \$40

ExoLite™ Heat – Acoustic Soft Shell™

Warm. Dry. Clearer calls. The ExoLite Heat Acoustic Soft Shell Ear Warmers are specially designed with an innovative exterior shell that channels fainter sounds like mobile phone calls allowing you to hear more clearly. Triple layer construction provides thermal retention, blocks wind and wicks moisture. This ultra-thin, ultra lightweight style keeps you warm, comfortable and connected. MSRP \$25
